## 2018 VIOGNIER

Viognier is a white grape variety indigenous to the Rhône Valley of France. We are so taken with this beautifully aromatic varietal that we have dedicated 10 acres of our estate vineyard to the grape.

This 2018 Viognier will command your attention from the moment the cork is popped. The bouquet is compelling; expressive with varietal notes of white flowers, nectarine, orange blossom and wet stone. At first sip, peach and honeysuckle flavors dominate the palate, slowly giving way to the mouthwatering acidity that lingers with vibrant oroblanco grapefruit and mandarin orange.
