

Z CUVÉE

2016 Z CUVÉE

We have been producing this classic Rhône-style blend since 1992. Inspired by the food-friendly and exquisitely layered wines of the Southern Rhône Valley, the Z Cuvée exemplifies the delicate unity between the savory elegance and fruit-driven nature of these blends.

Our 2016 Z Cuvée is a beautiful reflection of the harmony created when blending our favorite red Rhône varietals; Mourvèdre, Grenache, Cinsault, and Syrah. Each varietal is perfectly interwoven, revealing a dynamic bouquet of red and black fruits, potpourri, and dried herbs. The soft and seductive tannins are energized by flavors of tart spiced plum and cocoa dusted black cherries.
