

TOYON

2017 TOYON

The name Toyon is derived from a native shrub found growing in the sandy hills and terraces that surround our beautiful vineyard. The Toyon is blended using a unique combination of grape varietals grown on and off our estate, creating a seamless wine that is unlike anything else we produce.

The 2017 Toyon is a dynamic blend of Rhône and Bordeaux varietals. Layered ripe black fruits are seasoned with notes of cigar and cocoa. The dusty tannins are expansive; supporting bold flavors of dried black cherry, plum, blackberry and sweet tobacco.
