

GRENACHE BLANC

2017 GRENACHE BLANC

Grenache Blanc is related to the red Grenache grape. We planted 3 acres of Grenache Blanc on the silty, mineral rich Elder Loam soils located in front of the winery. The combination of the cooler site and unique soils provides a complex, mineral-driven wine with bright fruit and balanced acidity.

This 2017 Grenache Blanc is lavish with aromas of yellow apple, nectarine, beeswax and flint. The fleshy middle palate delivers intense flavors of ripe stone fruits, green melon and lemon thyme, that slowly transition into mouthwatering acidity and lingering mineral notes of crushed rock and wet stone.
