

2016 CHAPEL G SYRAH

The Chapel G block was planted in 2008, comprising 14.3 acres of Syrah. With its high-density spacing and new clonal material, the block immediately stood out to our winemaking team, inspiring them to capture the pure qualities of the site.

Black fruits, churned earth, clay, and sage dominate the nose on this impressive 2016 Chapel G Syrah. The tannins melt on your palate framing flavors of fresh boysenberry, crushed violets, and cocoa. A powerful, yet graceful expression of Syrah from the Chapel G Block.
