2018 CABERNET SAUVIGNON HOMAGE COLLECTION

This collection of four wines is a tribute to the grapes once produced here at Zaca Mesa. We have selected several iconic Santa Barbara County vineyards that produce fruit of the highest distinction and quality. These vineyards represent the pinnacle of each varietal, just as Zaca Mesa Vineyards represents the pinnacle of California Rhône-style varietals. Vogelzang Vineyard, TTT and Happy Canyon Vineyard are located within the Happy Canyon of Santa Barbara AVA, which is found at the eastern end of the Santa Ynez Valley. A warm climate combined with gravelly loam soils make these vineyard sites ideal for producing a classic, elegantly structured style of Cabernet Sauvignon.

Our 2018 Cabernet Sauvignon is a superb expression of fruit, boasting aromas of cherry cola and ripe plum that grow more pronounced with every swirl in the glass. Notes of cedar and cardamom spice dance on the palate, finishing with a soft acidity made complete with relaxed tannins. Medium-bodied and offering a gentle profile, this wine makes for the ultimate food-pairing partner.
