

GRENACHE BLANC

2021 GRENACHE BLANC

Grenache Blanc is related to the red Grenache grape. We planted 3 acres of Grenache Blanc on the silty, mineral rich Elder Loam soils located in front of the winery. The combination of the cooler site and unique soils provides a complex, mineral-driven wine with bright fruit and balanced acidity.

Overall, the 2021 Grenache Blanc is a lean and bright wine that embodies all things Summer. On the nose are notes of Honeydew melon rind, crisp Anjou pear, wet river rock, and a hint of citrus rind. The palate is bright and crisp, bursting with flavors of just-ripe white peach and nectarine. After the first few sips there is a pleasant, lingering minerality followed by notes of almond. This wine is a fantastic choice to pair with rich, soft cheeses, grilled shrimp, and paella. Leave the wine to breathe in a glass for a bit and served chilled - but not too cold - to let its full character shine through.

APPELLATION
Santa Ynez Valley

COMPOSITION
100% Grenache Blanc

PRODUCTION
240 cases

ALCOHOL
14.5%

VINEYARD BLOCKS
Zaca Block

AGING
5 months in Neutral
Oak (90%) &
Concrete (10%)

WINEMAKING AND VINEYARD TEAM

Kristin, Agustin, Ruben, Randy, Ramirez & Marlisa
