

2019 CHAPEL G SYRAH

The Chapel G block was planted in 2008, comprising 14.3 acres of Syrah. With its high-density spacing and new clonal material, the block immediately stood out to our winemaking team, inspiring them to capture the pure qualities of the site.

The 2019 Chapel G Syrah nearly leaps from the glass in its eagerness to display all its enthralling characteristics! On the nose are rich notes of wild blackberry, teriyaki, sage, white pepper, and a late dash of espresso. On the palate arrive decadent flavors of French roast coffee and Belgian dark chocolate, complemented by juicy black fruit layers. Due to this wine's refined palate with rugged savory qualities, it will pair well with meals reminiscent of the outdoors. Think game meats – like quail and boar – served along with a side of wild mushrooms with crispy sage and buttery polenta. The Chapel G Syrah would also make a lovely complement to a rustic pot pie or shepherd's pie.
