THE VIEW ROOM

Our former barrel room has been reimagined into an indoor event space, filling the need for such a venue here in the Santa Ynez Valley. With its stunning six chandeliers and 9' tall glass doors looking out onto the vineyards, the venue has been purposefully designed with a neutral palate that allows you to imprint your corporate color scheme. Enjoy hosting your seminars, meetings, or indoor dinners in this versatile space.

FAQ's

HOW LATE CAN OUR EVENT BE HELD?

Events may last until 10pm at our venue with the last guests leaving by 10:15pm. All vendors must be off the property by 11:30pm.

DO YOU HAVE A DANCE FLOOR?

The View Room has flat ground perfect for dancing and can fit up to 107 people. For outside events, there is plenty of room to set up a dance floor at The Vineyard where 200 people can enjoy dinner and dancing. The ground surrounded at The Vineyard is decomposed granite, similar to compacted gravel, and is great for dancing. However, it is entirely your choice if you'd like to add a dance floor.

DO YOU OFFER IN-HOUSE CATERING?

We stick to making delicious wines only! We do have some phenomenal caterers in our area who do a great job at showcasing the amazing produce and products made on the Central Coast. Some caterers we, and our past clients, have enjoyed working with are listed on our Recommended Vendors list.

WHAT IS THE ALCOHOL POLICY?

Like many wineries, our ABC license only permits us to serve our wine at our property. Your caterer may procure alcohol liability insurance and may provide beer and sparkling wine to your guests as well. All alcohol served in the event areas must be served by a licensed bartender and/or caterer. We ask that last call occurs at least 30 minutes before the scheduled end of the event for safety and liability purposes. Staffing for beer and sparkling wine service is not provided by Zaca Mesa, but can commonly be sourced through your caterer. If beer and sparkling wine is licensed through the caterer, their staff will pour the beer and sparkling wine in addition to our wine.

Our wine purchase minimum is 1 case (12 bottles) per 20 guests.

IS LIVE MUSIC ALLOWED? DO YOU HAVE ANY MUSIC RESTRICTIONS?

We love when our clients have live music and we are happy to make recommendations for local musicians. We allow amplified music at our venue until 10pm, 7 days a week. Most DJs and bands provide their own sound equipment and we have power outlets located in various spots around the property for easy set up.

DO YOU HAVE ON-SITE PARKING?

Yes, we have ample parking space at our winery with approximately 60 spots; no overnight parking is permitted. However, we STRONGLY suggest arranging a shuttle service for your guests. We do not mandate a shuttle service, but highly recommend one for all party sizes. Foxen Canyon Road is very dark at night, so for the safety of your guests we always recommend shuttles. Please see our Recommended Vendors list for recommendations.
