## 2022 CABERNET SAUVIGNON

The vineyards from which we source our Cabernet Sauvignon grapes are located within the Happy Canyon of Santa Barbara AVA, which is found at the eastern end of the Santa Ynez Valley. A warm climate combined with gravelly loam soils make these vineyard sites ideal for producing a classic, elegantly structured style of Cabernet Sauvignon.

This wine is inviting, filled with delightful notes of ripe plum, black currant, dehydrated fruit leather, and a touch of soy. On the palate, it's wonderfully rich, and with a bit of air, the tannins coat the mouth like a gentle caress, leading to a lingering finish with hints of chocolate-covered cherries, sweet tobacco, and plum skin.

This Cabernet Sauvignon's rich flavor profiles and satisfying tannic structures make it perfect for your favorite cheese board, loaded with aged Gouda, Gruyère, or blue cheeses. If you're after something more substantial, pair it with a smoked Gouda-and-bacon burger or a Texas-style smoked brisket.
